

RTD® ElimineX® Foaming Drain Cleaner

- RTD – Ready-To-Dispense
- Coats the drain surface without taking the drain apart.
- Allows extended contact time for the chemistry to penetrate and break down organic soil.
- Helps control odors and eliminates the soils used as a food source for listeria and fruitfly insect larvae.
- Entire process takes less than 1 minute per drain.

Suma® Bio-Floor™/MC Liquid Cleaner

- Bio-Floor™/MC Liquid Cleaner for quarry tile floors
- Bacteria enhanced cleaning power that continues long after you put away the mop.
- Bacteria action works for days, not minutes or hours.
- Attacks the soils not removed by mopping.
- No rinse floor cleaner.

Suma® Dock & Dumpster Treatment

- 3-part treatment offers:
 - Strong Cleaner
 - Knock down fragrance
 - Bacteria to digest soils
- Requires no scrubbing. Just spray and walk away.
- Applied bacteria keep odors from coming back.
